

# Bats, Spiders, Owls— Oh My!

Spiders got you down? Are you up in the air over bats? Sounds like you need a ranger-led night walk filled with fun stories and fascinating facts about night creatures that inhabit our forest. This event will include craft activities, silly puppets and non-spooky stories. The walk will be about a ¼ of a mile over a rough and uneven trail through the dark forest. Flashlights or headlamps are required.

Event begins at 7:30 p.m. on Saturday, October 29 at Fort Clatsop Visitor Center and will last approximately one hour. Wear sturdy shoes and dress for the weather. Event will be held indoors if Mother Nature decides to rain really hard.

No registration required. All zombies, vampires, and superheroes, especially Spiderman are welcome. For more information or questions call (503)-861-2471 ext. 214.

Throughout October we will post cool facts about bats, spiders and owls on our Lewis and Clark National Historical Park Facebook page, [www.facebook.com/pages/Lewis-and-Clark-National-Historical-Park/156464831093961](https://www.facebook.com/pages/Lewis-and-Clark-National-Historical-Park/156464831093961)
